

Unapologeticness

Lyrics by Sarah Schütz & Music by Mareike Kapp-Schütz

CHORUS

They call it unapologeticness, unapologeticness
strut you stuff and flaunt it all,
let us celebrate the all.

VERS

Show the world how wonderful you are,
don't hold back and let them see you.
Let them know that they are the same.
No more holding back of regalness.

CHORUS

They call it unapologeticness, unapologeticness
strut you stuff and flaunt it all,
let us celebrate the all.

VERS

Every step you make is heaven pure,
oozing out of every of your pores.
don't hold back cause magnificence is on.
What a joy to walk like this.

CHORUS

They call it unapologeticness, unapologeticness
strut you stuff and flaunt it all,
let us celebrate the all.

BRIDGE

cause we're here to not be here,
to get out we need your power
cause the only way is togetherness
face the front and move absolut

CHORUS

They call it unapologeticness, unapologeticness
strut you stuff and flaunt it all,
let us celebrate the all.

Unapologeticness, unapologeticness
strut you stuff and flaunt it all,
let us celebrate the all.
